

Dear Sir/Madam:

I am writing to you on behalf of Ms. Tanisha Wise Wilson. I have had the pleasure of knowing Tanisha for eight years. During those years I have known her as a co-worker and most importantly as a friend. Having gotten to know Tanisha very well over the course of those years, puts me in a great position to provide you with information regarding her personal character and professional work ethics.

As a co-worker Tanisha was very hard working and extremely dedicated. She was always willing to help others and do what was needed to get the job done. Tanisha came to work with a positive attitude and very motivated. Because she is very intelligent, capable and imaginative she continued to come up with better and more efficient ways of accomplishing the tasks at hand. Tanisha has a brilliant mind that allows her to be an innovative and creative thinker.

As a friend it is difficult to put into words all that she is and possess. I will start by saying Tanisha is a loyal, honest, very supportive human being who has the ability to see the truth and beauty in people. She is a loving, caring person who gives her all to you, heart and soul. I've never known another person to love harder or more deeply. She believes in being an authentic person. It is safe to say, what you see is what you get. Tanisha is also a great communicator who can befriend people from all walks of life. She surrounds herself with people who bring good to her life and those that she can bring something positive to as well. She encourages her friends to be more and expect more. Tanisha is always thinking of and putting to action ways to grow and improve her and others.

I feel very confident in saying that Tanisha is capable of handling any situation with professionalism, thoughtfulness, creativity and enthusiasm. She is a very competent person with excellent communication skills, both written and verbal. Throughout her career, she has gained the knowledge, substantial training and management expertise in areas directly relevant to the responsibilities of this position. Possessing an open mind and her willingness to learn and excel, I know she will be able to fulfill your expectations. In summary, I highly recommend Tanisha for any position or endeavor that she may pursue. She will be a valuable asset to any organization.

Sincerely,

Monique S. Savage, CMP
